UNITED STATES OF AMERICA,

Plaintiff,

vs.

JAMES DAVID HAMPTON,

Defendant.

CASE NO. D:21-4210

JUDGE Sergus

INDICTMENT

18 U. S. C. § 875(c)

THE GRAND JURY CHARGES:

At all times relevant to this Indictment:

1. The defendant, **JAMES DAVID HAMPTON** ("HAMPTON"), resided in London, Ohio, within the Southern District of Ohio.
2. Abortion Support Network (ASN) was a non-profit organization based in the United Kingdom, whose mission was to help people access safe abortions. ASN maintained a Facebook page, which clearly stated their mission and the services they provided.
3. On August 26, 2020, **HAMPTON** searched "Abortion Support Network" on Facebook. He subsequently made the following comments on the ASN Facebook page:

You are baby murderers ... we kill scum like you .. You are the scum of the earth ... we hunt your kind .. We watch ...observe..document ...we dedicate .. We follow you ...we stalk you ... then we kill you ... You are the wicked and evil among mankind .. we kill your kind I am making this known ... so that anyone of you have a chance to cease and desist .. to save your own life... a chance that these babies dont have ... if you do not ... there will be no pity when I myself stand over your cowering body as you beg and weep for your own life ... just before I cut your throat ... Your evil and wicked ways will be answered...

There is a birthing coming ... a new dawn ... that rising tide !!.. the evil among us have reigned to long .. these evil and wicked scum that hunt our children and sell them ..use them...and murder them in the womb, they are being hunted now ... two fronts... those that rescue these precious children and provide their sanctuary... and the ones that hunt the hunters and kill them with extreme prejudice... I am a proud member of the latter mentioned ... there is no greater satisfaction in knowing that a child predator is laying rotting in the soil...

All of you are scum ... you are the wicked and evil ..I take great pride in hunting scum like you and killing you ... I have for awhile .. wittiseing scum like you beg for your life as you weep brings me great joy ... there are others like me ..more and more .. we are waking ... we are WOKE ... we stalk your kind of scum .. we document ..we know where you live.. your routines .. we kidnap your kind ... we torture you for information .. then we 🇺🇸.. ABORT YOU ... each of you on here I have documented your information .. you have become my prey .. perhaps .. I may execute one of you with clamps or poison.. but my personal favorite is cutting your throats ... watching that life rapidly escape you in your state of absolute fear and panic is a great satisfaction to me ...

4. On August 26, 2020, **HAMPTON** continued making comments on the ASN Facebook page, which were directed at specific individuals.
