97th House District of Ohio

135th ASSEMBLY AVIATION AND AEROSPACE (AA) COMMITTEE

Mission: Unify and accelerate Ohio's AA sector development.**Vision:** Ohio is a global leader in AA commercial enterprise, workforce development, and public service applications.**Operating Concepts:** We will support Ohio citizens by:

1. Creating AA sector economic growth opportunities (Build/Fix/Fly in Ohio)
 - a. Energize the AA manufacturing environment
 - b. Increase AA commercial operations opportunities
 - c. Expand public and private AA Research, Design, Testing, Maintenance and Evaluation capacity
2. Increasing AA focused skill training opportunities (Learn/Work in Ohio)
 - a. Support K-12 AA sector "pathway" development in both STEM and career technology.
 - b. Facilitate higher education AA education curricula and student pool
 - c. Develop AA workforce attraction and retention policies
 - d. Increase interest and awareness in AA careers
3. Integrating AA capabilities into existing public service networks (New Normal)
 - a. Public transportation
 - i. Establish an operational Advanced Air Mobility (AAM) Air Traffic Management (ATM) system.
 1. Integrate with current FAA ATM system
 2. Develop AAM tracking and information support infrastructure
 3. Establish AAM overflight and liability regulations
 - ii. Expand General Aviation services and access
 - b. Broadband internet services
 - i. Grow satellite-based internet service opportunities
 - c. Law Enforcement/First Responders
 - i. Establish standard LE/FR AAM operating procedures
